## ABOUT THE PNW SVC

The Pacific Northwest Summer Volleyball Classic was created to bring teams together to compete at a high level, in a fun environment to prepare them for their upcoming season with their team.

By adding recruiting opportunities and elements, our tournament stands out compared to others and allows athletes the opportunity to not only be seen by colleges, but learn what colleges are looking for and how to have a successful recruiting journey.

## WHY SPONSOR?

This tournament's main goal is to provide opportunity. You will be making a huge impact by financially supporting a tournament that provides the chance to compete, improve, and play at the next level.

There are limited summer tournaments in the Pacific Northwest, but specifically in July. This tournament allows them to see different competition than normal and really grow on and off the court both individually and as a team. These teams are comprised from many different areas across the Pacific Northwest including Oregon, Washington, Idaho, and surrounding areas.

We want to support the geographical and volleyball community to provide ample opportunities to every player, coach, and spectator. Together we can show them all the benefits of the volleyball world and the local community.

In addition to providing opportunity to the athletes who compete at the PNW SVC, you will also be providing an opportunity for collegiate athletes and other high level volleyball supporters in the community to earn money and experience.
